# Summer
# Enrichment Camps

**Looking for something fun and challenging?**

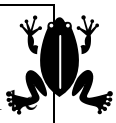
**Brain Fusion LLC camps are hands-on, student-driven activity camps where students design and create. Brain Fusion programs are designed by certified Dublin teachers specifically tailored to youth in grades 5-8.**

*** Take any TWO camps and save! Register for BOTH for $175**

## SUMMER I

Course Instructors: Bob Cline & Christian Miller

**Cutt'n Up (Dissection):** **Time:** June 1-4 (M-Th) 9:30 am -12:00 **Cost:** $100



Grab your scalpel and explore the anatomy of fish, frogs and more. A hands-on week of dissection. Students will guided through the external and internal structures of various organisms. Don't miss this completely unique and limited opportunity to dissect.

**Engineer-it:** **Time:** June 1-4 (M-Th) 12:30 – 3:00 pm **Cost:** $100

NEW! Each day, spend time exploring a different type of engineering:

- Electrical: How do circuits work?
- Mechanical: What makes it work? The science of toys.
- Structural: Can you build it? Compete against others designing some common structures.
- Aeronautical: 3-2-1 lift off…high flying bottle rockets

**Picture Perfect Photography:** Course Instructor: Patrick Schafer

**Time**: June 1-4 (M-Th) 9:30am – 12:00 **Cost**: $100

How to take the perfect picture! Learn how to better use all the amazing features on your digital camera, smart phone or iPad. Master the art of composition, photo editing, archiving, and display. Each participant will explore photography indoors and out to create personal and unique photos, including the artful use of selfies. A week full of fun for you and your camera!

Please bring to each workshop your own digital camera, smart phone, or iPad.

**ARTrageous:** Course Instructor: Patrick Schafer

**Time**: June 1-4 (M-Th) 12:30 – 3:00 pm **Cost**: $100

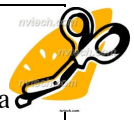
Feeling creative? Get your art on as we have fun with clay, paper mache and silkscreen t-shirt printing. Youth express their interests and styles through a fun filled week of hands-on art. Popular activities include how to screen print your own t-shirt and whimsical clay creations. Why not "create" your own fun?

Each participant will need to bring a plain t-shirt (white or colored).

## SUMMER II

Course Instructors: Bob Cline & Christian Miller

**ADVANCED Cutt'n Up:** **Time**: June 8-11th (M-Th) 9:30 am-12:00 **Cost**: $100



ADVANCED is a follow-up camp to the original Cutt'n Up. Take it to the next level with an external and interna anatomical investigation of sharks, and fetal pigs. Cutt'n Up (Dissection) is highly recommended as an introduction to this advanced camp.

**Anatomy:** **Time**: June 8- 11th (M-Th) 12:30 -3:00pm **Cost**: $100

A NEW and unique camp exploring you from the inside out. Learn about the brain, heart, eyeballs, and muscles through hands-on activities and dissections. Do you use the left or right side of your brain more? Why are some people color blind? Why do muscles get tired? You wanted more dissection you got it!

# Summer Enrichment Camps
